<b>Home Infusion RN Advanced Techniques</b> One-day program covers advanced topics impacting home infusion nursing. Highlights include home infusion of biologics, administration of TPA as well as various considerations for the administration of Ig either subcutaneously or intravenously.						
<b>Sterile Compounding Regulatory Forum</b> One-day pre-conference program for owners and leaders will provide a big picture overview about the current and future state of sterile compounding as well as essential knowledge regarding the rules and regulations that will impact organizations.						
<b>Executive Seminar: The Business of Infusion</b> Pre-conference seminar will provide leaders, business owners, managers and other senior industry professionals with information on emerging trends and clinical, legislative and regulatory issues impacting healthcare. High-level						

discussions will provide guidance in developing a strategic framework for advancing your business.						
<b>NHIA/NASP Certified Specialty Pharmacy Review Course</b> One-day CSP review course for pharmacists interested in taking the exam in April of 2019. Led by experts in the specialty pharmacy field, this exam prep course will cover all the essential topics to effectively prepare you to take the exam.						
<b>NHIF Raising the Foundation Fundraiser Reception (March 12)</b> Join NHIA industry leaders and infusion community colleagues for a Cocktail Reception to support the National Home Infusion Foundation. Network with colleagues and build new relationships—all while supporting the Foundation's ongoing efforts to advance patient care through education, leadership development, and research.	\$125	\$125	\$125	\$125	\$125	\$125
<b>Women in Infusion Leadership Luncheon (March 13)</b> Attend special luncheon and networking session devoted to discussing how developing women leaders can strengthen the home infusion profession. The winner of the <i>Lynn Giglione Women in Leadership Award</i> will also be recognized at this event. Tickets must be purchased by Monday, March 11, 2019.	\$50	\$50	\$50	\$50	\$50	\$50
