

**Phone Numbers for CMS Regional Offices
October 10, 2008**

If you may be having a difficult problem with obtaining coverage or payment for services provided to a beneficiary and you are not making satisfactory progress through the normal appeals processes, you may be able to get assistance from a CMS Regional Office. Ask for a caseworker to help with your issues.

For such problems, the Centers for Medicare & Medicaid Services (CMS) has provided NHIA with the following telephone numbers to call in each of the CMS Regional Offices. [Click here](#) for a map of Regional Office jurisdictions.
