

## **Contracted Nursing Agencies**

### **Infinity Infusion Nursing**

Infinity nurses have over ten years' experience administering all types of medications in patients' homes as we specialize in in-home infusion therapy. We do a wide variety of medication administration with highly skilled nurses. We contract with specialty pharmacies to provide nursing care on an as-needed basis. Because professionals have chosen us, we have been on the front line of COVID-19 Clinical Trials. When working with us, you're working with a team of experts in the field of infusion therapy.
